WELCOME TO THE PACIFIC COAST

MINIATURE HORSE CLUB (PCMHC)

The purposes of which this organization is formed are to operate as a social organization to promote the Miniature Horse breed, fellowship, and good sportsmanship, and to cooperate with other equine breed organizations.

We are an American Miniature Horse Registry approved club. All of our shows are sanctioned by the ASPC/AMHR/ASPR so that you can earn national points. Your horse must be registered with the ASPC, AMHR, or ASPR and proof of registration is required. Your horse must be measured before it can be shown. We also offer an opportunity to earn PCMHC points which result in year-end awards.

Hi-Point Awards

To become eligible for PCMHC year-end awards, you must be a member in good standing of PCMHC and have nominated the horse(s). If you are an amateur you must have an ASPC/AMHR/ASPR amateur card, which can be obtained directly from ASPC/AMHR/ASPR (309-263-4044) or through the Web site: www.shetlandminiature.com. You may also apply for the amateur card at the show. Youth exhibitors must also be a member of PCMHC to participate.

The PCMHC offers several shows per year in the Southern California area. There are classes for all ages and all levels of expertise, and also for those with special needs. We have HALTER, SHOWMANSHIP, IN -HAND OBSTACLE, HUNTER, LIBERTY and DRIVING CLASSES. Please look at our "Show Date" Web page.

For additional information, please contact any one of the officers. See Board of Directors page on our Web site.

Good luck!

John Stacy, President

Membership

Registration

Plan ahead – ASPC/AMHR/ASPR Registration, is it correct ??

All horses must be ASPC/AMHR/ASPR registered.

AMHR only:

- If the registration is "Temporary" check expiration date. If the expiration date is older than January 1, 2018, then an updated registration is required. **YOU WILL NOT BE ABLE TO SHOW YOUR HORSE** if the registration is not correct.
- If your horse is three-years old or older, the registration must show "Permanent." And if your horse is over 34", then the registration should reflect "Division B."
- If your horse is a Gelding, the registration must reflect "Gelding" as sex. **YOU WILL NOT BE ABLE TO SHOW YOUR HORSE** if the registration is not correct.

Amateur Classes

You must be the registered owner/lessee of the horse before you or a member of your family can show in an amateur class. The exhibitor must have a current year Amateur Card and must be 18 years or older as of December 1, 2017.

Youth Classes

Youth must be under 18 on December 1, 2017. An ASPC/AMHR/ASPR youth card is optional. AMHR: Youth 13 years of age or older may show a stallion. ASPC/ASPR: Youth may not show any stallions except for foals of current year.

Youth without an ASPC/AMHR/ASPR Youth card will not be eligible for the ASPC/AMHR/ASPR Youth Incentive Program.

SHOW TIME

Submitting Show entry forms:

Pre-registering saves you and show officials time on show day. All entry forms must be accompanied by a photocopy of each horse's ASPC/AMHR/ASPR registration papers (FRONT AND BACK). If registration is not correct, your entry will not be processed. Late charges will apply if correct registration is not received by the show manager on or before the Pre-entry close date. A copy of the exhibitors ASPC/AMHR/ASPR 2018 amateur card is required for all those exhibitors entering amateur classes.

Measurement of Horse

AMHR only: All horses must be measured at least once a year. Horses 3-years or older with a "Permanent" status must be measured at their first show for the current year. If you have a Measurement Card from AMHR for your horse, give it to the show steward when it is measured.

It is advised that if your horse has been measured at another 2018 show, bring the measurement slip or permanent card to present to the Show Manager or Show Steward if requested.

ASPC/ASPR only: If your horse is 6-years or older with a permanent card they need to be measured at their first show for the current year. If you have the permanent measurement card from ASPC/ASPR for your horse, give it to the Show Steward when in it measured.

A "Temporary" registered horse must be measured every 60 days.

If your horse has been measured in 2018 at a show hosted by another club, submit a copy of the measurement form to the show manager, otherwise your horse will have to be measured.

Your horses cannot have any articles of clothing on them at measurement time, ASPC/AMHR/ASPR requires that the Show Steward match the horse versus its registration papers to assure that the information on the registration is correct, especially the color markings of the horse. If you pre-register and submit a copy of the registration papers, it is still a good idea to bring an extra copy with you.

Back Numbers

Back numbers will be assigned to each horse at every show. These numbers are to be turned in to the show secretary at the end of the show.

Appropriate Conduct

Participation in Club activities by members and non-members are privileges and carry with them certain responsibilities, both in and out of the ring. Conduct by a member or non-member in violation of bylaws or rules of the PCMHC may be subject to disciplinary action for the offensive conduct. Violations such as:

- Failure to pay show entry-fees
- Providing false information
- Being found guilty by a state or federal department of agriculture for the cruelty or inhumane treatment of any animal

- Cruelty or inhumane treatment of any animal whether or not registered with our club's registry, in the show ring, stable area, or show grounds
- Making defamatory or false statements about another member of the club
